Appeal Rights

This is a final order in other than a contested case. This order is subject to judicial review under ORS 183.484. A request for judicial review must be filed within the 60 day time period specified by ORS 183.484(2). Pursuant to ORS 536.075 and OAR 137-004-0080 you may either file for judicial review, or petition the Director for reconsideration of this order. A petition for reconsideration may be granted or denied by the Director, and if no action is taken within 60 days following the date the petition was filed, the petition shall be deemed denied.

Application History

Permit G-16358 was issued by the Department on July 18, 2008, and modified by Permit Amendment T-10850 on October 9, 2009. The permit specified completion of construction and complete application of water to beneficial use by October 1, 2012. On February 1, 2017, Inman Ranch LLC submitted an Application for Extension of Time for Permit G-16358. In accordance with OAR 690-315-0050(2), on January 30, 2018, the Department issued a Proposed Final Order proposing to extend the time to complete construction to October 1, 2027, and the time to fully apply water to beneficial use to October 1, 2027. The protest period closed March 16, 2018, in accordance with OAR 690-315-0060(1). No protest was filed.

FINDINGS OF FACT

The Department adopts and incorporates by reference the findings of fact in the Proposed Final Order dated January 30, 2018.

At time of issuance of the Proposed Final Order the Department concluded that, based on the factors demonstrated by the applicant, any comments received, and information within the file, the permit may be extended subject to the following conditions:

LIMITATIONS AND CONDITIONS

1. **Well Construction Condition**

The use of any water from BAKE 51903 (Well 1) and BAKE 51965 (Well 3) under Permit G-16358 is subject to this Groundwater Condition.

No water shall be appropriated from BAKE 51903 (Well 1) and BAKE 51965 (Well 3) under Permit G-16358 until they have been reconstructed to meet the conditions contained in Permit G-16358. The permit holder must submit proof of compliance that the wells authorized under this permit or by permit amendment are in compliance with the conditions of; "The well(s) shall be continuously cased and continuously sealed to a minimum depth of 20 feet into competent bedrock, estimated to be up to 150 feet below land surface. The well(s) may not be completed in such a manner to allow ground water to be developed from the overlying alluvial aquifer."

2. **Last Extension Condition**

This may be the last extension of time granted for Permit G-16358. Any future extensions of time request may be denied, unless the permit holder can provide the Department with evidence that the well construction conditions have been satisfied for Well 1 and Well 3. In addition, all normal extension standards and rules will be evaluated. ORS 539.010(5); OAR 690-315-0040.

3. **Checkpoint Condition**

The permit holder must submit a completed Progress Report Form to the Department by **October 1, 2021 and 2026. A form will be enclosed with your Final Order.**

- (a) At each checkpoint, the permit holder shall submit and the Department shall review evidence of the permit holder's diligence towards completion of the project and compliance with terms and conditions of the permit and extension. If, after this review, the Department determines the permit holder has not been diligent in developing and perfecting the water use permit, or complied with all terms and conditions, the Department shall modify or further condition the permit or extension to ensure future compliance, or begin cancellation proceedings on the undeveloped portion of the permit pursuant to ORS 537.260 or 537.410, or require submission of a final proof survey pursuant to ORS 537.250;

- (b) The Department shall provide notice of receipt of progress reports in its weekly notice and shall allow a 30 day comment period for each report. The Department shall provide notice of its determination to anyone who submitted comments.

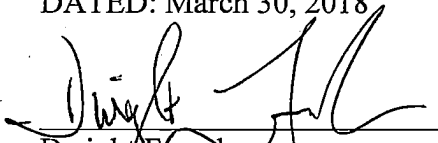

CONCLUSION OF LAW

The applicant has demonstrated good cause for the permit extension pursuant to ORS 537.630, 539.010(5) and OAR 690-315-0040(2).

ORDER

The extension of time for Application G-16938, Permit G-16358, therefore, is approved subject to conditions contained herein. The deadline for completing construction is extended from October 1, 2012, to October 1, 2027. The deadline for applying water to full beneficial use within the terms and conditions of the permit is extended from October 1, 2012, to October 1, 2027.
