The assignment by proof from Edward T. Brentano to RD Farms Inc. has been recorded in the records of the Water Resources Department.

The Departments records will now show Theodore M. Van Dyke, RD Farms Inc., and C&E Brentano Family Limited Partnership as the registration holders of record.

Our records have been changed accordingly and the original request is enclosed.

A registration is not a perfected water right, and has conditions and timelines that must be satisfied prior to a Certificate of Water Right being issued.

Sincerely,

Jerry Sauter
Water Rights Program Analyst
Water Right Services Division
