The partial assignment by proof from Walter H. Brown to Paul N. Wattenbarger has been recorded in the records of the Water Resources Department.

The Departments records will now show ACMPC Oregon 2, LLC (DBA Halls Ferry Farms) and Paul N. Wattenbarger as the permit holders of record.

Our records have been changed accordingly and the original request is enclosed.

A registration is not a perfected water right, and has conditions and timelines that must be satisfied prior to a Certificate of Water Right being issued. Please review the registration to be familiar with the conditions and timelines contained in the registration.

Sincerely,

Jerry Sauter
