The assignment from Mitchell and Kimberly Swecker to Charles and Debra Thurman has been recorded in the records of the Water Resources Department.

The Departments records will now show Charles and Debra Thurman as the permit holders of record.

Our records have been changed accordingly and the original request is enclosed. Receipt number 126533 covering the recording fee is also enclosed.

A permit is not a perfected water right, and has conditions and timelines that must be satisfied prior to a Certificate of Water Right being issued. Please review the permits to be familiar with the conditions and timelines contained in the permits.
