

Oregon Water Resources Department

Water Right Services Division

**ORDER WITHDRAWING PROPOSED FINAL ORDER ON APPLICATION FOR
PERMIT, WATER RIGHT APPLICATION G-17983,
IN THE NAME OF JELD-WEN INC.**

Application Information

Application: G-17983
Basin: Klamath
Date of Priority: January 16, 2015
Source of Water: One Well (KLAM 11674) in Upper Klamath Lake Basin
Purpose of Use: Industrial/Manufacturing Use
Maximum Rate/Volume: 1.84 Cubic Feet Per Second

On January 16, 2015, Jeld Wen INC filed a groundwater application with the Department.

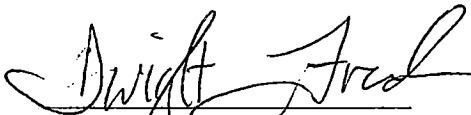

On April 10, 2018, the Department issued a Proposed Final Order.

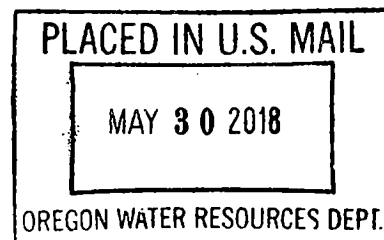

The Department has determined it is necessary to withdraw the Proposed Final Order to allow for further consideration. A new Proposed Final Order will be issued subsequently, and will initiate a new protest period as required by OAR 690-310-0160.

ORDER

The Proposed Final Order issued April 10, 2018, is withdrawn.

DATED: May 24, 2018

Dwight French, Administrator of
Water Rights and Adjudications
for Thomas M. Byler, Director
