Reference: Application S-88262, Permit S-55057

The partial assignment from Mike Malepsy to Robert Langhoff has been recorded in the records of the Water Resources Department.

The Departments records will now show Mike Malepsy and Robert Langhoff as the permit holders of record.

Our records have been changed accordingly and the original request is enclosed. Receipt number 126819 covering the recording fee has been sent to Rogue Civil, LLC.

A permit is not a perfected water right, and has conditions and timelines that must be satisfied prior to a Certificate of Water Right being issued. Please review the permit to be familiar with the conditions and timelines contained in the permit.

Please note that this permit requires complete application of water to the proposed use by May 11, 2022, and within one year after complete application of water to the proposed use, the permittee shall submit a claim of beneficial use, which includes a map and report, prepared by a Certified Water Rights Examiner (CWRE).

Sincerely,

Jerry Sauter
Water Rights Program Analyst
