OWNERSHIP/EASEMENT QUESTIONNAIRE

WATER RESOURCES DEPT.  
SALEM, OREGON

1. Do you own all of the land involved in this application, including a) the point where water will be diverted from the stream or well, b) the place where water will be used, and c) any land to be crossed by the proposed pipeline, ditch, canal or other work?

YES If you own all the land, no easement is required. Please sign #4 below.

NO If you do not own all the land involved in this application, written authorization or an easement is required. Please answer questions # 2 & 3.

2. The names and current mailing address of all owners of lands involved in this application, as described above, are:

NAME

ADDRESS

U.S. Dept of Agriculture  
Forest Service

Hebo Ranger District  
P.O. Box 324 - Hebo OR 97122

3. Do you have written authorization or an easement permitting access across all lands involved in this application which are not owned by you?

YES If you have written authorization or an easement as described above, please sign #4 below.

NO If you do not have written authorization or an easement as described above, you must obtain such authorization or acquire ownership of land before a permit can be issued. Please sign #4 below.

4. I understand that if written authorization or an easement is required and I cannot obtain one, that shall be grounds for the Water Resources Department to refuse to issue a permit.

I also understand that if I have falsely stated that I own all lands involved in this application, or that I have obtained written authorization or an easement permitting access across lands involved in this proposed water use, any permit issued in response to my application shall be subject to cancellation.

I certify that the information I have provided above is true and correct to the best of my knowledge.
