The Departments records will now show J & V Ranches (James P. and Vicki J Brown, partners) as the permit holders of record.

Our records have been changed accordingly and the original request is enclosed. Receipt number 127519 covering the recording fee is also enclosed.

A permit is not a perfected water right, and has conditions and timelines that must be satisfied prior to a Certificate of Water Right being issued. Please review the permit to be familiar with the conditions and timelines contained in the permit.

Please note that these permits required a Claim of Beneficial Use including a map and report prepared by a Certified Water Rights Examiner and within one year after complete application of water to the proposed use. These Claims are overdue.

Sincerely,
