CITY OF MOLALLA
PO BOX 598
MOLALLA OR 97038

REFERENCE: Transfer 6978

We received your transfer application, map, land use form, and check for \$205. The transfer application should not have been filed. We are returning the application and fees.

The transfer application requested to change the point of diversion under water use permit 23158. The date for complete application of water under the permit is October 1, 1995. Water right transfers may only be made for certified water rights. Since it will be some time yet before a water right certificate is requested for this permit, we may not accept the transfer application.

I spoke to Robert George, your CWRE. I explained the options available to accomplish what you would like to do. He will be explaining those options to you.

If you have any questions, please call the Water Rights Section, (503) 378-3739.

Sincerely,

LARRY H. NUNN
