Reference: Application G-12180, Permit G-11689 – Application G- 15663, Permit G-15359

The assignment from The Dairy Farm, Limited Partnership to The Dairy Farm Limited Partnership and Northwest Farm Credit Services, FLCA has been recorded in the records of the Water Resources Department.

The Departments records will now show The Dairy Farm, Limited Partnership and Northwest Farm Credit Services, FLCA as the permit/transfer holders of record.

Our records have been changed accordingly and the original request is enclosed. Receipt number 127847 covering the recording fee is also enclosed.

A permit is not a perfected water right, and has conditions and timelines that must be satisfied prior to a Certificate of Water Right being issued. Please review the permits to be familiar with the conditions and timelines contained in the permits.

Please note that Application G- 15663, Permit G-15359 required complete application of water to the proposed use by October 1, 2012, and within one year after complete application of water to the proposed use, the permittee shall submit a claim of beneficial use, which includes a map and report, prepared by a Certified Water Rights Examiner (CWRE). As of this date, the claim of beneficial use has not been received by the Department. This places this permit at risk of cancelation proceedings being started.

Sincerely,

Jerry Sauter
