Reference: Application: S-88035, Permit: S-54915

The assignment from Randal and Pamela Buresh to Zena Pacific Holdings LLC has been recorded in the records of the Water Resources Department.

The Departments records will now show Zena Pacific Holdings LLC as the permit holder of record.

Our records have been changed accordingly and the original request is enclosed. Receipt number 127800 covering the recording fee is also enclosed.

A permit is not a perfected water right, and has conditions and timelines that must be satisfied prior to a Certificate of Water Right being issued. Please review the permit to be familiar with the conditions and timelines contained in the permit.

Please note that this permit requires complete application of water to the proposed use by 3/5/2020, and within one year after complete application of water to the proposed use, the permittee shall submit a claim of beneficial use, which includes a map and report, prepared by a Certified Water Rights Examiner (CWRE).

Sincerely,

Jerry Sauter
