Application History

On March 13, 2003, Permit G-15351 was issued by the Department. The permit specified complete application of water to beneficial use by October 1, 2007. The most recent extension authorized completion of construction and complete application of water to beneficial use by October 1, 2018. On May 25, 2018, Permit Amendment T-12746 was approved and superseding Permit G-18040 was issued by the Department to reflect the changes. On June 19, 2018, Interfor U.S. INC. submitted an Application for Extension of Time for Permit G-18040. On August 7, 2018, superseding permit G-18089 was issued by the Department to correct errors in the location of the points of appropriation and place of use. In accordance with OAR 690-315-0050(2), on August 28, 2018, the Department issued a Proposed Final Order proposing to extend the time to fully apply water to beneficial use to October 1, 2019. The protest period closed October 12, 2018, in accordance with OAR 690-315-0060(1). No protest was filed.

## FINDINGS OF FACT

The Department adopts and incorporates by reference the findings of fact in the Proposed Final Order dated August 7, 2018.

At time of issuance of the Proposed Final Order the Department concluded that, based on the factors demonstrated by the applicant, any comments received, and information within the file, the permit may be extended subject to no additional conditions.

## CONCLUSION OF LAW

The applicant has demonstrated good cause for the permit extension pursuant to ORS 537.630, 539.010(5) and OAR 690-315-0040(2).

## ORDER

The extension of time for Application G-15109, Permit G-18089, therefore, is approved. The deadline for applying water to full beneficial use within the terms and conditions of the permit is extended from October 1, 2018, to October 1, 2019.

DATED: October 26, 2018
