Reference: Application GR-334, GR-Registration GR-319

The assignment by proof from Peter Reitzenstein to the Ernest and Lola Trust has been recorded in the records of the Water Resources Department.

The Departments records will now show the Ernest and Lola Trust as the registration holder of record.

Our records have been changed accordingly and the original request is enclosed. Receipt number 128344 covering the recording fee is also enclosed..

A registration is not a perfected water right, and will require an adjudication before a certificate is issued.
