The assignments from Charles A. Bloodsworth to Fewel Farms LLC have been recorded in the records of the Water Resources Department.

The Departments records will now show Fewel Farms LLC as the permit holder of record for the referenced files.

Our records have been changed accordingly and the original requests are enclosed. Receipt number 128748 covering the recording fees is also enclosed.

A permit is not a perfected water right, and has conditions and timelines that must be satisfied prior to a Certificate of Water Right being issued. Please review the permits to be familiar with the conditions and timelines contained in the permits.

Please note that the Department has not received Pump Tests as required by the permits. Until such time that Pump Tests are submitted and approved, the Department is unable to complete the review of your Claims.

Sincerely,

Mary F. Bjork
Water Rights Program Analyst
