RE: Approval of Request to Renew ASR Limited License #002

Dear Sirs:

On June 25 and July 18, 2003, the Water Resources Department received your separate requests dated June 23 and July 18, 2003 to renew the captioned license for five years. The Department sought assistance from Oregon Department of Health Services and Oregon Department of Environmental Quality to evaluate your request.

Here is a background on ASR Limited License #002. The license was issued on July 22, 1998 with a provision for expiration on July 22, 2003. Subsequently, you requested and obtained a minor adjustment to that license. The adjustment became effective on May 12, 1999.

After review of your recent requests, comments from other agencies and my staff, and the authority of condition (1) in the license, I approve your request. This renewal allows the adjusted limited license to remain in effect until expiration on July 22, 2008.

Sincerely,

for Paul R. Cleary
Director
