

A hand-drawn map on a grid. The grid has vertical lines labeled 12, 13, 14 and horizontal lines labeled 23, 24, 25. The map features the following elements:

- BEAR CREEK**: A solid line starting from the left edge at grid line 24, flowing right, then turning south and then east, ending with an arrow pointing east at grid line 12.
- FAUGHT CREEK**: A dashed line starting from the top right, flowing left, then turning south and then west, ending with an arrow pointing west at grid line 13.
- UNNAMED CREEK**: A dashed line starting from the top right, flowing left, then turning south and then west, ending with an arrow pointing west at grid line 13.
- ANTELOPE FLAT RESERVOIR**: A large, irregularly shaped area located between grid lines 12 and 13, and between grid lines 23 and 24. It is labeled with the text "ANTELOPE FLAT" and "RESERVOIR".
- RISE R20E**: A label located to the right of the reservoir, between grid lines 12 and 13.
- R20E**: A label located to the right of the reservoir, between grid lines 23 and 24.
