MEMO

To: New GW Filing for Wayne and Amanda Staehley
File number: G- 18789

From: Dwight French 

February 8, 2019

RE: Fees for new file

This file is essentially a replacement file for G-18515 that received a positive PFO but the applicants did not respond in a timely manner for a well construction issue. The application was denied without a request for reconsideration being filed.

Because the GW review was recently completed, as well as the IR and PFO, the Department is waiving a portion of the fees consistent with the authority of 536.050(1). The fees for this new application will be \$800 along with a permit recording fee that can either be paid now or paid later.

If there are any questions, please let me know.
