The assignment from Jack Platt and Platt Farms LLC to Rabo Agrifinance LLC has been recorded in the records of the Water Resources Department.

The Departments records will now show Rabo Agrifinance LLC as the permit holder of record.

Our records have been changed accordingly and the original request is enclosed. Receipt number 129574 covering the recording fee is also enclosed.

A permit is not a perfected water right, and has conditions and timelines that must be satisfied prior to a Certificate of Water Right being issued. Please review the permit to be familiar with the conditions and timelines contained in the permit.

Please note that this permit requires complete application of water to the proposed use by March, 31, 2021, and within one year after complete application of water to the proposed use, the permittee shall submit a claim of beneficial use, which includes a map and report, prepared by a Certified Water Rights Examiner (CWRE).

Sincerely,
