RESOURCES
DEPARTMENT

Dear Applicant,

The 1995 Legislature passed House Bill 2376, a law which requires the Department to issue water right certificates on reservoirs applied for under House Bill 2153 (1993 Ponds Bill).

Our staff is preparing to issue your certificate(s). However, we need a map showing the location of the use, such as the house or area irrigated, and an indication as to the number of acres irrigated.

In order to expedite the processing of your certificate(s), we request that you submit the additional information listed above by **January 31, 1996**. A copy of your original application map is enclosed.

Should you have any questions please feel free to call the Water Rights Information Group at 1-800-624-3199, extension 499.

Sincerely,

Gerry Clark
