EXEMPT PONDS
House Bill (HB) 2376

12-22-96

Thank you for requesting information on registering your existing pond with the Oregon Water Resources Department. Attached you will find:

- Application form to be submitted to the Salem office of the Water Resources Department.
- Typed instructions (dated November 1996) for filling in the form. These are the most current instructions and should be followed if there is a conflict between these and the older brochure.
- "New Oregon Law for Owners of Existing Ponds" brochure dated October 1995.

If you have any questions not answered by this material, please call the Medford office at 776-7056 or the regional office in Grants Pass at 474-5385.

*I'm resubmitting as per conversation
w/ Jackson City Water Master.
Thank You
Chiff Moran*
