Reference: Application G-14082, Permit G-12894

The assignment from Michael D. and Lisa A. Reardon to Mark Winczewski has been recorded in the records of the Water Resources Department.

The Departments records will now show Mark Winczewski as the permit holder of record.

Our records have been changed accordingly and the original request is enclosed. Receipt number 129965 covering the recording fee is also enclosed.

A permit is not a perfected water right, and has conditions and timelines that must be satisfied prior to a Certificate of Water Right being issued. Please review the permit to be familiar with the conditions and timelines contained in the permit.

Please note that the Department has not received a Pump Test as required by the permit. Until such time that a Pump Test is submitted and approved, the Department is unable to complete the review of your Claim.

Sincerely,

Mary F. Bjork
Water Rights Program Analyst
