The assignments from Scott and Gina Abbe to Phillip Singhose has been recorded in the records of the Water Resources Department.

The Departments records will now show Phillip Singhose as the permit holder of record.

Our records have been changed accordingly and the original requests are enclosed. Receipt number 130955 covering the recording fee is also enclosed.

A permit is not a perfected water right, and has conditions and timelines that must be satisfied prior to a Certificate of Water Right being issued. Please review the permits to be familiar with the conditions and timelines contained in the permits.

Sincerely,

Mary F. Bjork
