Authority

Oregon Revised Statute (ORS) 537.147 establishes the process by which an application to use stored water exclusively may be submitted. Oregon Administrative Rule (OAR) Chapter 690, Divisions 310 and 340 implement the statute, and provide the Department’s procedures and criteria for evaluating applications to use stored water exclusively.

FINDINGS OF FACT

1. On July 29, 2019, Thomas Justin Lindbloom and Kimberly Dawn Lindbloom submitted an application for a water-use permit pursuant to ORS 537.147.

2. The required examination fees were paid and minimum application requirements were met.
3. The Department has determined that the proposed use is an authorized use under the water right permit, certificate, or decree that allows the storage of water.
4. The Department provided public notice of the application in the Department's weekly public notice on August 13, 2019. A 30-day comment period followed.
5. The Department has not received public comments related to the possible issuance of the attached permit. Therefore, the Department has determined that no public interest issues as identified in ORS 537.170(8) have been raised.
6. On December 17, 2019, the Department issued a Final Order approving Application S-88728 and a draft permit. Subsequently the Department discovered the December 17, 2019 Final Order

NOTICE OF RIGHT TO PETITION FOR RECONSIDERATION OR JUDICIAL REVIEW

This is an order in other than a contested case. This order is subject to judicial review under ORS 536.075 and ORS 183.484. Any petition for judicial review must be filed within the 60-day time period specified by ORS 183.484(2). Pursuant to OAR 137-004-0080, you may petition for judicial review or petition the Director for reconsideration of this order. A petition for reconsideration may be granted or denied by the Director, and if no action is taken within 60 days following the date the petition was filed, the petition shall be deemed denied.

erroneously identified the period of use as April 1 through October 1. The period of use in the attached permit has been corrected to March 1 through October 31.

7. Accordingly, pursuant to OAR 137-004-0080 (5), a superseding Final Order and Permit will be issued.

CONCLUSIONS OF LAW

1. Application S-88728 is consistent with the requirements of ORS 537.147 and OAR Chapter 690.

ORDER

This Final Order and Permit supersede the December 17, 2019 Final Order and draft permit, which are of no further force or effect.

Application S-88728 is approved and Permit S-55247 is issued.
