Dear Madam:

This will acknowledge receipt of your notice to the effect that complete application of water has been made under Permit No. 23475.

Pursuant to your report and in line with the general practice of this office a survey will be made at a later date. After this survey, proof may be made and certificate issued covering the actual use of water as found by the engineer. In case of irrigation, any lands described in the permit that have not been irrigated will be automatically eliminated from the water right.

In the meantime, the permit which you hold will be valid evidence of the water right in question so long as you continue to use the water.

Very truly yours,

LEWIS A. STANLEY
State Engineer
