Dear Mr. Gardner:

REFERENCE: File 60710

Your Application 60710 to appropriate water, has been examined and is satisfactory for issuance of a permit.

Permits will be issued for use of water from Coquille River and its tributaries. However, water may not be available during dry periods. The water may be needed to satisfy existing rights or minimum flow standards.

Sincerely,

RALPH H. JACKSON, Supervisor

Dear Mr. Gardner:

REFERENCE: File number 60710

We have received your application for use of water for irrigation and stock along with the supporting data and fees. Our receipt number 20513 is enclosed. Your application has been filed and assigned number 60710.

Because of the many applications which have been filed in recent months, we are temporarily behind in our processing. Your application will be examined in detail as soon as possible. We will contact you if we need any additional information. If a permit is required to satisfy the conditions of a loan or land sale or if other emergency conditions exist, please let us know and we will attempt to process your application in the shortest possible time.

The permit approving your application will be issued without further correspondence if no additional information is required. The proposed appropriation will be subject to existing minimum flows and demands of prior rights during periods of low water.

Thank you for your patience.

Sincerely,
