Regarding Application GR-864, GR Registration GR-837, the previous partial assignment by proof from Ernest H. Aerni to Shona Warner is being rescinded. Additional review determined that the name Shona Warner was incorrectly captured. The correct name is Shonda Warner.

The partial assignment by proof from Ernest H. Aerni to Shonda Warner has been recorded in the records of the Water Resources Department.

The Departments records will now show Ernest H. Aerni and Shonda Warner as the registration holders of record.

Our records have been changed accordingly and the original request is enclosed. Receipt number 131797 covering the recording fee is also enclosed.

A registration is not a perfected water right, and will in the future be adjudicated.

Sincerely,

Mary F. Bjork
Water Rights Program Analyst
Water Right Services Division
