)

FINAL ORDER
APPROVING THE USE OF
STORED WATER

Authority

Oregon Revised Statute (ORS) 537.147 establishes the process by which an application to use stored water exclusively may be submitted. Oregon Administrative Rule (OAR) Chapter 690, Divisions 310 and 340 implement the statute, and provide the Department's procedures and criteria for evaluating applications to use stored water exclusively.

FINDINGS OF FACT

1. On December 10, 2018, Guans Sublimity LLC submitted an application for a water-use permit pursuant to ORS 537.147:

Volume	10.0 ACRE-FEET (AF)
Use	IRRIGATION AND LIVESTOCK
Source	SUBLIMITY RANCH RESERVOIR, CONSTRUCTED UNDER PERMIT R-15318, TRIBUTARY TO MILL CREEK
County	MARION COUNTY
Place of Use	SECTIONS 22 AND 27, TOWNSHIP 8 SOUTH, RANGE 1 WEST, W.M.

2. The required examination fees were paid and minimum application requirements were met.
3. The Department has determined that the proposed use is an authorized use under the water right permit, certificate, or decree that allows the storage of water.
4. Under Oregon Revised Statute (ORS) 537.141(1)(c), the following water uses do not require an application under ORS 537.130 or 537.615, a water right permit under ORS 537.211 or a water right certificate under ORS 537.250. (c) Water uses that divert water to water tanks or troughs from a reservoir for a use allowed under an existing water right permit or certificate for the reservoir.

The Department will therefore not consider livestock use to be part of your application.

5. The Department provided public notice of the application in the Department's weekly public notice on March 12, 2019. A 30-day comment period followed.

A petition for reconsideration may be granted or denied by the Director, and if no action is taken within 60 days following the date the petition was filed, the petition shall be deemed denied.

6. The Department has not received public comments related to the possible issuance of the attached permit. Therefore, the Department has determined that no public interest issues as identified in ORS 537.170(8) have been raised.
