•Dear Sir & Madam:

This will acknowledge receipt of your notice to the effect that complete application of water has been made under Permit No. 19655.

Pursuant to your report and in line with the general practice of this office, a survey will be made at a later date for the purpose of checking the amount of water used as described in the permit. After this survey, proof may be made and certificate issued covering the actual use of water as found by the engineer.

In the meantime, the permit which you hold will be valid evidence of the water right.

Very truly yours,

Chas. E. Stricklin

Dear Sir and Madam:

This will acknowledge receipt of your letter of May 31, enclosing check in the amount of \$5.50, for which our receipt no. 9709 is enclosed.

In answer to your question, if you wish your permit to cover only the irrigation of less than 30 acres of land, then \$15.00 is the total correct fee, as set out on page 12 of the Rules and Regulations.

If you wish permit to cover stock and domestic use, including the irrigation of not to exceed 1/2 acre domestic lawn and garden, the total fees amount to \$20.00, which you have submitted.

If you wish permit to cover stock and domestic use and the irrigation of more than 1/2 acre, the total fees required are \$25.00, as set out on pages 12 and 13 of the Rules and Regulations.

A rectangle of land 100 feet by 200 feet is approximately 1/2 acre.

Your permit can be issued when the next group of permits is issued, according to your instructions.

Yours very truly,

Dear Sir & Madam:

This will acknowledge receipt of your application for a permit to appropriate 0.0275 cubic foot of water per second from an unnamed spring for domestic and stock use and the irrigation of one acre, together with fees in the amount of \$14.50 for which our Receipt No. 9455 is enclosed.

The application has been filed and given No. 24677. It has been checked over, and some discrepancies are noted.

The legal description of the property on which you propose to use water should be copied word for word from your deed, abstract or contract under the 40 acre tract described under Item 8, unless the legal description is the same as the 40 acre tract description.

The signatures of both applicants should be attached to the application.

A description of the spring from which you propose to use water made on the enclosed form should accompany the application, and unless the spring is on your property, you should submit evidence of your right to go upon the property where the spring is located for the purpose of securing water.

For your convenience in completing your application as suggested, I am enclosing it herewith endorsed so that to retain its priority, it must be returned to this office on or before June 12, 1950.

On receipt of your completed application, evidence of right of way if indicated and the balance due in fees in the amount of \$5.50 as set out in the enclosed copy of the Rules and Regulations of the State Engineer, your application can be placed in line for approval by issuance of a permit when the next group of permits is issued.

Very truly yours,
