Reference: Application G-13322, Permit G-12690

The assignment from Howard W. Houston to Oregon Department of Transportation has been recorded in the records of the Water Resources Department.

The Departments records will now show Oregon Department of Transportation as the permit holder of record.

Our records have been changed accordingly and the original request is enclosed. Receipt number 132545 covering the recording fee is also enclosed.

A permit is not a perfected water right, and has conditions and timelines that must be satisfied prior to a Certificate of Water Right being issued. Please review the permit to be familiar with the conditions and timelines contained in the permit.
