

Memorandum

**Oregon Water Resources
Department
Water Rights Service Division**

To: Steven Wheat

Copy: Watermaster District 22, Joel Plahn

From: Mary Bjork

Date: July 31, 2020

Regarding: Limited License LL-1804 - place of use acreage

On October 3, 2019, Steven Wheat submitted an application for a limited license, requesting the use of "Agriculture – Watering Grapes." The map submitted identified the area to be irrigated as a total of 25.0 acres.

The Final Order issued on January 27, 2020, approving Limited License LL-1804, listed the requested water use as "Agriculture – Watering Grapes on 20.0 acres."

This memo is to clarify and confirm that the requested and authorized acreage is 25.0 acres as depicted on the application map.
