Reference: Application G-16127, Permit G-15705

The assignment by proof from Delford and Nancy Corning to Robert N. Sharp has been recorded in the records of the Water Resources Department.

The Departments records will now show Robert N. Sharp as the permit holder of record.

Our records have been changed accordingly and the original request is enclosed. Receipt number 132394 covering the recording fee is also enclosed.

A permit is not a perfected water right, and has conditions and timelines that must be satisfied prior to a Certificate of Water Right being issued. Please review the permit to be familiar with the conditions and timelines contained in the permit.
