

Memorandum

Oregon Water Resources Department Water Rights Service Division

To: File LL-1847, Limited License Application for Coos Riders Association

From: Mary Bjork

Subject: Amount of water requested, project schedule, point of diversion location

Date: Friday, August 13, 2020

I received correspondence from Shawn Frost, agent for Coos Riders Association today. He clarified the maximum instantaneous rate of water requested as 257.0 gallons per minute, the project schedule as July 1 through October 31, 2024, and the point of diversion location as being 1200 FEET NORTH AND 480 FEET EAST FROM W1/4 CORNER, SECTION 2.
