Permit Renewal of Water Right Application )  
G-17948 in the name of MICHAEL AND )  
SUSAN FRANK )

FINAL ORDER

### **Summary**

Order approving the renewal of Application G-17948 and issuance of Permit G-18507.

### **Authority**

The application was processed in accordance with Oregon Administrative Rule (OAR) 690-502-0200. These administrative rules provide the authority to extend a water use permit, for a period not to exceed five years, provided that the groundwater resource can probably support the extended use.

### **FINDINGS OF FACT**

1. On October 22, 2014, Michael and Susan Frank submitted an application to the Department for a water use permit. The proposed use is located in the Chehalem Mountain Groundwater Limited Area.
2. The Department issued a water use permit on November 19, 2015. This permit expired on October 22, 2020.
3. On June 29, 2020, the applicant submitted a Claim of Beneficial Use indicating the rate that was developed under permit G-17512 was 0.028 cubic foot per second. Therefore, Permit G-18507 will be issued for the limited rate.

### **CONCLUSIONS OF LAW**

1. The Department finds that the groundwater resource can probably support the extended use.

NOTE: When issuing permits, ORS 537.628(1) authorizes the Department to include limitations and conditions which have been determined necessary to protect the public welfare, safety and health.

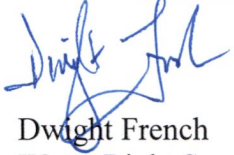

#### **NOTICE OF RIGHT TO PETITION FOR RECONSIDERATION OR JUDICIAL REVIEW**

Any petition for judicial review must be filed within the 60 day time period specified by ORS 183.484(2). Pursuant to OAR 137-004-0080 you may petition the Director for reconsideration of this order.
