Reference: Application G-14915, Permit G-13728

The assignment from Daniel J. Pini and Jean L. Pini to Sheila Marie Clough and Christopher Lee Clough has been recorded in the records of the Water Resources Department.

The Departments records will now show Sheila Marie Clough and Christopher Lee Clough as the permit holders of record.

Our records have been changed accordingly and the original request is enclosed. Receipt number 133434 covering the recording fee is also enclosed.

A permit is not a perfected water right, and has conditions and timelines that must be satisfied prior to a Certificate of Water Right being issued. Please review the permit to be familiar with the conditions and timelines contained in the permit.

Sincerely,
