Reference: Application R-86602, Permit R-14397

The assignment from Bruce Albert to Carroll Albert and Steve Berman has been recorded in the records of the Water Resources Department.

The Departments records will now show Carroll Albert and Steve Berman as the permit holders of record.

Our records have been changed accordingly and the original request is enclosed. Receipt number 127958 covering the recording fee is also enclosed.

A permit is not a perfected water right, and has conditions and timelines that must be satisfied prior to a Certificate of Water Right being issued. Please review the permit to be familiar with the conditions and timelines contained in the permit.
