Reference: Application S-81523, Permit S-53247, Certificate 93276

The requested assignment from Gary Koehler and Amber Koehler to Edward J. Fandel and Aleta L. Fandel cannot be made as this is a perfected right as evidenced by the issuance of a Certificate of Water Right. Under Oregon Water Law, a perfected right is considered a land right and goes with the land. Therefore, if you own land that has a certified right you own the right as well. There is no provision in Oregon Water Law for changing the name on a certified right.

The Department does request that an ownership update be filed for perfected rights, when a change in ownership occurs. I have included an Ownership Update Form with this correspondence.

I am returning your original request and the check you submitted. Should you have any questions, please do not hesitate to contact me at the address above or by telephone at 503-986-0817.

Sincerely,

Mary F. Bjork
