Reference: Application G-15722, Permit G-15990

The partial assignments from Jackson's Inc. to Joseph Cox, Wagenbach PNW LLC / Stor-Moore LLC, and Hilary Rich have been recorded in the records of the Water Resources Department.

The Departments records will now show Joseph Cox, Wagenbach PNW LLC / Stor-Moore LLC, and Hilary Rich as the permit holders of record.

Our records have been changed accordingly and the original requests are enclosed. Receipt numbers 134177, 134178, and 134179, covering the recording fees are also enclosed.

A permit is not a perfected water right, and has conditions and timelines that must be satisfied prior to a Certificate of Water Right being issued. Please review the permit to be familiar with the conditions and timelines contained in the permit. An Application for Extension of Time was received by the Department on December 18, 2020, requesting the time to complete construction and application of water, be extended to 2023. As of this date, the Application for Extension of Time is pending review.

Sincerely,

Mary F. Bjork
Water Rights Program Analyst
