The assignments from Port of Morrow to Columbia Improvement District have been recorded in the records of the Water Resources Department.

The Departments records will now show Columbia Improvement District as the permit holder of record.

Our records have been changed accordingly and the original requests are enclosed. Receipt number 134304 covering the recording fees is also enclosed.

A permit is not a perfected water right, and has conditions and timelines that must be satisfied prior to a Certificate of Water Right being issued. Please review the permits to be familiar with the conditions and timelines contained in the permits.

Sincerely,

Mary F. Bjork
Water Rights Program Analyst
