Appeal Rights

This final order is subject to judicial review by the Court of Appeals under ORS 183.482. Any petition for judicial review must be filed within the 60-day time period specified by ORS 183.482(1). Pursuant to ORS 536.075 and OAR 137-003-0675, you may petition for judicial review or petition the Director for reconsideration of this order. A petition for reconsideration may be granted or denied by the Director, and if no action is taken within 60 days following the date the petition was filed, the petition shall be deemed denied.

Application History

Permit G-15489 was issued by the Department on June 10, 2010. The permit complete application of water to beneficial use by October 1, 2007. The most recent extension authorized completion of construction and complete application of water to beneficial use by October 1, 2015. On November 12, 2020, Dr Madaiah Revana submitted an Application for Extension of Time for Permit G-15489. In accordance with OAR 690-315-0050(2), on January 5, 2021, the Department issued a Proposed Final Order proposing to extend the time to fully apply water to beneficial use to October 1, 2025. The protest period closed February 19, 2021, in accordance with OAR 690-315-0060(1). No protest was filed.

FINDINGS OF FACT

The Department adopts and incorporates by reference the findings of fact in the Proposed Final Order dated January 5, 2021. At time of issuance of the Proposed Final Order the Department concluded that, based on the factors demonstrated by the applicant, any comments received, and information within the file, the permit may be extended subject to the following conditions:

LIMITATIONS AND CONDITIONS

1. Permit Amendment Condition

The use of any water from YAMH 56817 (Well 2) under Permit G-15489 is subject to this Condition.

The permit holder shall submit an application for a permit amendment requesting the use of water from YAMH 56817 within six months from the date of issuance of a Final Order approving and extension of time. Failure to submit an application for permit amendment as provided above may result in the termination of this extension of time.

2. Checkpoint Condition

The permit holder must submit a completed Progress Report Form to the Department by **October 1, 2024. *A form will be enclosed with your Final Order.***

- (a) At each checkpoint, the permit holder shall submit and the Department shall review evidence of the permit holder's diligence towards completion of the project and compliance with terms and conditions of the permit and extension. If, after this review, the Department determines the permit holder has not been diligent in developing and perfecting the water use permit, or complied with all terms and conditions, the Department shall modify or further condition the permit or extension to ensure future compliance, or begin cancellation proceedings on the undeveloped portion of the permit pursuant to ORS 537.260 or 537.410, or require submission of a final proof survey pursuant to ORS 537.250;
- (b) The Department shall provide notice of receipt of progress reports in its weekly notice and shall allow a 30 day comment period for each report. The Department shall provide notice of its determination to anyone who submitted comments.
