Electronic Record and Signature Disclosure

ELECTRONIC RECORDS AND SIGNATURES DISCLOSURE AND CONSENT

This Electronic Records and Signatures Disclosure and Consent (“ESIGN Consent”) contains important information that you are entitled to receive before you consent to transact business with us electronically. Please read this ESIGN Consent carefully and print or download a copy for your files.

You have indicated you wish to receive information and sign documents relating to your transactions with us electronically. We are required by law to give you certain information “in writing” – which means you are entitled to receive it on paper. We need your consent in order to provide you this information electronically, instead. We also need your general consent to use electronic records and signatures in our relationship with you.

In this Consent, the words "we," "us," and "our" means Northwest Farm Credit Services, FLCA and or Northwest Farm Credit Services, PCA (together herein “Northwest FCS”) and Northwest FCS’ affiliates or subsidiaries. The words "you" and "your" means the person giving consent.

“Communications” means each disclosure, notice, agreement, undertaking, fee schedule, periodic statement, record, document or other information we provide to you, or that you sign or submit or agree to at our request.

Described below are the terms and conditions for providing to you Communications electronically .

Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to these terms and conditions, please confirm your agreement by clicking the 'I agree' button at the bottom of this document. If you are agreeing on behalf of a business entity you also agree that you have requisite authority to consent to this ESIGN Consent on behalf of the entity.

1. Your Consent. You agree that any of the Communications we provide to you, or that you sign or agree to at our request, may be in electronic form. We may also use electronic signatures and obtain them from you on any Communication.

All Communications that we provide to you in electronic form will be delivered either (1) via e-mail, (2) by your accessing the DocuSign electronic signing system that we designate in an e-mail, text message, or other electronic notice we send to you at the time the information is available. Appropriate security procedures will be established that you will have to follow to access the system.

We may always, in our sole discretion, provide you with Communications on paper, even if you have authorized electronic delivery. Sometimes the law, or our agreement with you, requires you to give us a written notice. You must still provide these notices to us on paper, unless we tell you how to deliver the notice to us electronically.

This ESIGN Consent supplements all other agreements you may have with us; however, in the case of any inconsistency, the terms herein shall control as applied to your consent to receive and or sign Communications electronically through DocuSign.

2. Getting paper copies. At any time, you may request a paper copy of any Communications provided or made available electronically to you by us. You will have the ability to download and print Communications we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign signer account, you may access them for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any Communications previously

provided by us to you electronically, please contact your branch office directly. We may charge a reasonable fee for paper copies unless charging a fee is prohibited by applicable law.

3. Withdrawing your consent. If you decide to withdraw consent before you complete a transaction, you may do so by exiting the transaction or document signing process before you complete it and closing your browser window. If you withdraw consent before the transaction is complete you will be unable to proceed electronically. You may be required to restart the transaction via paper, or you may be unable to complete the transaction at all.

If you complete the transaction and want to withdraw your consent with respect to later Communications related to the transaction, such as periodic statements or notices, you may do so by doing either of the following:

- Decline to sign or receive a document from within your DocuSign signing session by clicking on the “I do not agree” button and on the subsequent page, select the check-box indicating you wish to withdraw your consent; or
- Contact your branch office directly either via telephone, fax, in writing via U.S. mail, or in person and notify the branch of your desire to withdraw your consent.

Additionally you may withdraw your consent to receive future Communications electronically by contacting your branch office directly either via telephone, fax, in writing via U.S. mail, or in person.

Your withdrawal of consent to receive electronic Communications will be effective after we have had a reasonable period of time to process your request. You will not be required to pay a fee for withdrawing consent.

4. Consequences of Withdrawal of Consent. If you elect to receive Communications only in paper format, your withdrawal of consent will have no legal effect on the validity or enforceability of any Communications that were provided to you in electronic form or electronically signed by you through DocuSign prior to the effective date of your withdrawal. Withdrawing your consent may delay your transactions with us. Additionally, if we offer a discount now or in the future for conducting business electronically, a withdrawal of consent could result in the removal of any such discount. Once you withdraw your consent you will not be able to use the DocuSign system to receive or sign Communications. However, should you withdraw your consent to receive electronic Communications and later decide you would like to resume electronic Communications, you will need to contact your branch office directly to request resumption of electronic Communications. In such case, you will be asked to reaffirm your Consent to electronic Communications and once such request has been processed you will be able to access the DocuSign system for future electronic Communications.

5. All notices and disclosures will be sent to you electronically. Unless you tell us otherwise in accordance with the procedures described herein, we may, in our sole discretion, provide electronically to you through the DocuSign system all Communications that are required to be provided or made available to you during the course of our relationship with you.

6. Our Option to Send Paper. Your consent does not mean we must provide any of the Communications electronically. We may always, in our sole discretion, provide you with any Communications on paper even if you have authorized electronic delivery. Sometimes the law, or our agreement with you, requires you to give us a written notice. You must still provide these notices to us on paper, unless we tell you how to deliver the notice to us electronically.

7. How to contact Northwest FCS. You may contact us to let us know of your changes as to

how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive Communications electronically by contacting your branch office directly either via telephone, fax, U.S. mail, or in person. If you are not sure which branch office to contact, a complete list of our branch offices, locations, and phone numbers can be found on our website at <https://www.northwestfcs.com/Locations>.

8. How to update your contact information. It is your responsibility to provide us with an accurate and complete email address and other contact information, and to maintain and update promptly any changes in this information. You can update your contact information at any time by contacting your branch office directly. In addition you must notify DocuSign, Inc. if your e-mail address changes to arrange for your new email address to be reflected in your DocuSign account by following the process for changing e-mail in the DocuSign system.

9. Requesting paper copies. We will not send you a paper copy of electronic Communications from us, unless you request it or we otherwise deem it appropriate to do so. You can obtain a paper copy of any Communications we provide to you electronically by printing it yourself or requesting us to mail you a paper copy. To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must contact your branch office directly and provide the branch office with the full name and US Postal address where you would like the Records sent.

10. Retaining Copies. We encourage you to print or download for your records a copy of all electronic Communications, as well as this ESIGN Consent and any other document that is important to you.

11. Required hardware and software. To receive electronic Communications from us, you must have the following:

Note - Pre-release (e.g. beta) versions of operating systems and browsers are not supported.

12. Termination/Changes. We reserve the right, in our sole discretion to discontinue the provisions of your electronic Communications, or to terminate or change the terms and conditions on which we provide electronic Communications. We will provide you with

notice of any such termination or change as required by law.

By checking the “*I agree*” box below, you are consenting to the use of electronic records and signatures in connection with the business or transactions you conduct with us and agree to the terms and conditions of this ESIGN Consent. You are also confirming that you have the hardware and software described above, that you are able to receive and review electronic records, that you were able to access and read this ESIGN Consent and that you also were able to print on paper or electronically save this ESIGN Consent for your future reference and access, or that you were able to e-mail this ESIGN Consent to an address where you will be able to print on paper or save it for your future reference and access, and that you have an active email account and the ability to access and view PDF files.
