Dear Mr. Demott:

This acknowledges receipt of Forms B and C, being notices of completion of construction, and complete application of water under your Permit No. 19866.

Pursuant to your reports and in line with the general practice of this office, a survey will be made at a later date for the purpose of checking the amount of water used as described in the permit. After this survey, proof may be made and certificate issued covering the actual use of water as found by the engineer.

In the meantime, the permit which you hold will be valid evidence of your water right.

Very truly yours,

CHAS. E. STRICKLIN  
State Engineer
