RE: Application S-88013, Permit S-54902

Dear Permit Holder of Record,

On July 26, 2021, the Oregon Water Resources Department received a Claim of Beneficial Use (Claim) that you submitted for the above referenced file.

At this time, the Department cannot accept the Claim due to a change in the fee required to submit a Claim. The Governor signed House Bill 2142 on July 19, 2021, increasing the fees for several water-related transactions. The bill increased the fee required to submit a Claim to \$230.00. The bill includes a provision that all fee increases are retroactive to July 1<sup>st</sup> of this year.

Please re-submit the Claim materials and a check reflecting the new fee of \$230.00. Enclosed you will find the Claim materials and your check for \$200.00.

If you have any additional questions, please feel free to contact me at 503-986-0810.

Sincerely,

Judy Ferrell
