The partial assignments from Brian and Kyle Arriola to Arriola Bogs, LLC have been recorded in the records of the Water Resources Department.

The Departments records will now show Arriola Bogs, LLC, McKenzie Family Properties, LLC, a Limited Liability Company, and Northwest Farm Credit Services, FLCA as the permit holders of record.

Our records have been changed accordingly and the original requests are enclosed. Receipt number 136376 covering the recording fees is also enclosed.

A permit is not a perfected water right and has conditions and timelines that must be satisfied prior to a Certificate of Water Right being issued. Please review the permits to be familiar with the conditions and timelines contained in the permits.

Please note that these permits required complete application of water to the proposed use by October 1, 2010, and within one year after complete application of water to the proposed use, the permittee shall submit a claim of beneficial use, which includes a map and report, prepared by a Certified Water Rights Examiner (CWRE). Applications for Extension of Time were received by the Department on September 9, 2021. As of this date, the Applications for Extension of Time are pending review.

Sincerely,

Mary F. Bjork
