Reference: Application G-8880, Permit G-8430

The assignment by proof from Jean Boldenow, Bruce C. Boldenow, and Tall Horse Sheep Ranch to John R. Pickett and Sandra L. Pickett has been recorded in the records of the Water Resources Department.

The Departments records will now show John R. Pickett and Sandra L. Pickett as the permit holders of record.

Our records have been changed accordingly and the original request is enclosed. Receipt number 137409 covering the recording fee is also enclosed.

A permit is not a perfected water right, and has conditions and timelines that must be satisfied prior to a Certificate of Water Right being issued. Please review the permit to be familiar with the conditions and timelines contained in the permit.

A Claim of Beneficial Use and a Certificate Reimbursement Authority Estimate Application were received by the Department on January 7, 2022, are currently pending review.

Sincerely,

Mary F. Bjork
Water Rights Program Analyst
Water Right Services Division
