Holly Bamber
19831 S. Henrici Rd.
Oregon City, OR 97045

Reference: Application R-86128, Permit R-14125

The assignment by proof from Jerry Marshall to Holly Bamber has been recorded in the records of the Water Resources Department.

The Departments records will now show Holly Bamber as the permit holder of record.

Our records have been changed accordingly and the original request is enclosed. Receipt number 137481 covering the recording fee is also enclosed.

A permit is not a perfected water right, and has conditions and timelines that must be satisfied prior to a Certificate of Water Right being issued. Please review the permit to be familiar with the conditions and timelines contained in the permit.

Please note that this permit required complete application of water to the proposed use by October 1, 2009, and within one year after complete application of water to the proposed use, the permittee shall submit a claim of beneficial use (COBU), which includes a map and report, prepared by a Certified Water Rights Examiner (CWRE). If no secondary permit exists and the reservoir stores less than 9.2 acre-feet of water, the COBU need not be prepared by a CWRE. As of this date, the COBU has not been received by the Department. This places this permit at risk of cancelation proceedings being started.

Sincerely,

Mary F. Bjork
