REPORT OF PERSON MAKING INSPECTION

(For use by Representative of State Engineer)

I, Tom R. Pearce, do hereby certify that I have made an inspection of the works described herein and in Permit No. 18497, on the 2nd day of June, 1950, and found the foregoing statements and descriptions of works to be accurate. In my opinion the appropriation has been completed to the extent of 0.04 c.f.s./ (Quantity of water in second-feet or acre-feet) and I recommend the issuance of water right certificate for this amount.

NOTICE TO INSPECTORS

If conditions do not justify the above report by you, please return the proof without your signature, with a full report by letter.

Dear Mrs. Wingerd:

This will acknowledge receipt of Forms A, B, and C, being notices of the beginning of construction, completion of construction, and complete application of water under your Permit No. 18497.

Pursuant to your reports and in line with the general practice of this office, a survey will be made at a later date for the purpose of checking the acreage actually irrigated. After this survey, proof may be made by you and certificate issued covering the lands which the survey shows to have been irrigated, and any lands described in your permit that have not been irrigated will be automatically eliminated from your water right.

In the meantime, the permit which you hold will be valid evidence of your water right.

Very truly yours,

CHAS. E. STRICKLIN
State Engineer
