Reference: Application G-16605, Permit G-16205

The assignment by proof from Herb Davis to Jacob Davis and Elli Davis has been recorded in the records of the Water Resources Department.

The Departments records will now show Jacob Davis and Elli Davis as the permit holders of record.

Our records have been changed accordingly and the original request is enclosed. Receipt number 137317 covering the recording fee is also enclosed.

A permit is not a perfected water right, and has conditions and timelines that must be satisfied prior to a Certificate of Water Right being issued. Please review the permit to be familiar with the conditions and timelines contained in the permit.

An Application for Extension of Time was received by the Department on January 21, 2022, requesting the time to complete construction and application of water, be extended to October 1, 2023. As of this date, the Application for Extension of Time is pending review.

Sincerely,

Mary F. Bjork
