The assignment from River Bend Sand and Gravel Co. to Staats Corp. has been recorded in the records of the Water Resources Department.

The Department's records will now show Staats Corp. as the permit holder of record.

Our records have been changed accordingly and the original request is enclosed. Receipt number 137692 covering the recording fee is also enclosed.

A permit is not a perfected water right, and has conditions and timelines that must be satisfied prior to a Certificate of Water Right being issued. Please review the permit to be familiar with the conditions and timelines contained in the permit.

Please note that the Department has not received a Pump Test as required by the permit. Until such time that a Pump Test is submitted and approved, the Department is unable to complete the review of your Claim.

Sincerely,

Mary F. Bjork
Water Rights Program Analyst
Water Right Services Division
