Reference: Application S-72051, Permit S-52948
Application R-73083, Permit R-11741

The assignment from Wilson Family Ranches, LLC and Northwest Farm Credit Services, FLCA to Northwest Farm Credit Services, PCA, Wilson Family Ranches, LLC, and Northwest Farm Credit Services, FLCA, has been recorded in the records of the Water Resources Department.

Our records have been changed accordingly and the original request is enclosed. Receipt number 88339 covering the recording fee of \$50 is also enclosed.

I would be remiss if I did not bring to your attention that the time for a Claim of Beneficial Use and Final Proof Survey (COBU) performed by a Certified Water Rights Examiner to be submitted on these permits has long passed. If complete application of water to the proposed uses was not been made by the proper date, an extension of time may be needed. The Department has no record of either a Claim, or extension request for these permits. This has placed these permits at risk of cancellation proceedings.

Should you have any questions, please do not hesitate to contact me at the address above or by telephone at 503-986-0817.

Sincerely,

Jerry Sauter
Water Rights Program Analyst
