NOTICE OF COMPLETE APPLICATION OF WATER TO A BENEFICIAL USE

I, James A. Seyferth, the holder of Application No. 8317, being Embargement Permit No. 5400, issued by the State Engineer of the State of Oregon for the appropriation of 0.07 second-feet of the waters of Democrat Gulch in accordance with the tenor of such permit and the limitations endorsed thereon by the State Engineer, completely applied the water to a beneficial use, on the 10th day of June, 1924, being the time limitation as fixed in said permit or extended by the State Water Board for the complete application of water to a beneficial use.

Remarks:

If all of the water granted in the permit had not been fully applied to beneficial use, you should so state, so that delinquent appropriators may have notice.

IN WITNESS WHEREOF, I have hereunto set my hand this 11th day of June, 1924,

Kerby, Oregon (Present Address)

James A. Seyferth (Signature of Applicant)

Fill out, detach, and mail to the Secretary, State Water Board, Salem, Oregon.

NOTICE OF COMPLETION OF CONSTRUCTION

I, James A. Seyferth, the holder of Application No. 8317, being Embargement Permit No. 5400, issued by the State Engineer of the State of Oregon for the appropriation of 0.07 second-feet of the waters of Democrat Gulch in accordance with the tenor of such permit and the limitations endorsed thereon by the State Engineer, have completed the construction of the works described therein the 27th day of May, 1924, being within the time limitation as fixed in said permit or extended by the State Water Board for the completion of construction work.

Remarks:

If the works have a less capacity than as described in the permit, or you have definitely abandoned your plan of irrigating any of the lands described in your permit, you should so state in order that our records may not be unnecessarily encumbered.

IN WITNESS WHEREOF, I have hereunto set my hand this 11th day of June, 1924,

Kerby, Oregon (Present Address)

James A. Seyferth (Signature of Applicant)

Fill out, detach, and mail to the Secretary, State Water Board, Salem, Oregon. Form D should be used in reporting progress of work if more than one year has been allowed for completion.

Approved for completion. If not, please indicate the reason therefor. If not, please indicate the reason therefor.

C. E. STRICKLIN,
ASSISTANT STATE ENGINEER

June 28, 1924.

Mr. Tom R. Pearce,
Assistant Water Master,
Grants Pass, Oregon.

Dear Sir:

I am in receipt of final proof of appropriation of water under Permit No. 5400, in the name of James A. Seyforth, together with check for \$1.00 to cover recording fee.

Official receipt No. 1278 is enclosed covering the above amount.

The proof appears to be in proper form except that you did not answer question number seven. In the column left blank on the right you should carefully fill in the number of acres actually irrigated in the respective subdivisions.

I am returning the proof herewith for answer to question number seven.

Yours respectfully

H.

Mr. James A. Seyforth,
Kerby, Oregon.

Dear Sir:

Blanks for making final proof of appropriation of water under your permit No. 5400 have been forwarded to Mr. Tom R. Pearce, Assistant water master for your district, who will make an inspection and assist in filling out the proof.

After the proof has been properly filled out and signed before a notary public, it should be returned to this office, accompanied by \$1.00 to cover the cost of recording the final water right certificate.

Yours respectfully,

Rhea Luper,
State Engineer.
